**Installers, Dealers,
have you ever experienced...**

Peaked seams? Gapped and overlapped seams?
Mis-matched patterns? Buckling? Restretching?
Staples visible through upholstery work? Carpet frayed at the doorways? Wonder what types of corrections can be done on site?

The CFI Team has the answers! Learn how these situations can be avoided or corrected.

- Seaming of new products
- Powerstretching and Wall-trimming techniques
- Pattern Matching: Correcting Bow, Skew and Pattern Elongation
- Stair Upholstery without the use of staples

The Industry's Top Installation Trainers share the latest installation techniques and tools! Come prepared to leave with a thorough understanding of installation as related to becoming one of the most knowledgeable flooring professionals in your field of carpet installation.

WFCFA Members are eligible to receive up to an annual maximum cumulative total of \$500 in scholarships for business related education, training programs and seminars. All CFI programs qualify for up to 100% of registration fees.
